Great Fun in OSHC

Outside School Hours Care makes it possible for parents to work or attend to other commitments, secure in the knowledge that their children are being cared for by qualified Educators in a safe and supportive environment.

At Camp Australia, we know that the time spent at OSHC before and after school is a time for possibilities. Every session is guided by the childrens' interests and reflects their dreams and imagination.

Having already spent the day in a classroom, children need the opportunity and space to explore their own interests – whether that be sports, craft or cooking – as opposed to being asked to absorb more information (unless there's homework your child needs help with!).

It's a time to form friendships outside their immediate classmates, to grow and learn, and/or to try something new. There's no travel time, traffic or complicated arrangements to be made, so your child can leave the classroom and be playing soccer, eating a healthy snack or learning how to play a board game within minutes of leaving the classroom.

To find out more about our Camp Australia OSHC service please visit our website at www.campaustralia.com.au or call our friendly Customer Care Team on 1300 105 343. The team are available 24 hours a day, 7 days a week (except National Public Holidays).

We look forward to seeing you and your family soon!
