FROM THE PRINCIPAL

WELCOME BACK

Welcome staff, students, parents and community members to the 2019 school year. A warm welcome to all new staff and families joining our school and community. We look forward to getting to know you as you become involved with our school.

Aveley Primary School has had a smooth start to the new school year, currently catering for 710 students in twenty-eight classrooms. We have a total of 68 staff, including 42 teaching staff and 26 support staff.

Best wishes to all members of our school community. Our school looks forward to working together to ensure the best possible opportunities and outcomes for all of our students.

PARENT TEACHER MEETINGS

To provide an opportunity for teachers to share a range of information in regard to classroom expectations and processes, a whole school class teacher - parent session will be held in Week 3 (Mon 18/2 – Thur 21/2). The meetings will be held from 5.00pm – 5.30pm. Individual classroom teachers will forward details with further information home to families soon. As the meetings have parent specific content, it would be helpful if children did not attend these sessions.

Monday, 18 February: Year 2 & Year 6
Tuesday, 19 February: Year 1 & Year 4
Wednesday, 20 February: Year 5
Thursday, 21 February: Pre-primary & Year 3

'Parents as Partners' in their child's education are crucial in ensuring the best social, emotional and educational outcomes for children. It is important that parents and staff keep the lines of communication open. Please don't hesitate to make an appointment to meet with classroom teachers to discuss your child's progress and to have any concerns clarified. Teachers will contact parents if and when required.

A copy of the Department of Education's 'Talking with my school' is attached to this newsletter.

DEPARTMENT OF DEFENCE HELPLINE

For members of our school community who are also members of the Australian Defence Force, Defence Community Organisation provided support for ADF member and their families. Please call 1800 624 608 or follow the link to www.defence.gov.au/dco

BEHAVIOUR EXPECTATION

An effective evidence based strategy to support our whole school behaviour expectations is to explicitly teach and reinforce identified behaviours (as we do for English and Mathematics). In 2017 we introduced a whole school behaviour matrix, which outlined the behaviours to be taught and reinforced by all staff across the school each fortnight. This matrix has been updated each year. Focus areas rotate each fortnight.

Our first behaviour focus for 2019 is to, **'Greet staff and students, speaking politely and respectfully at all times.'**

An important aspect of this expected behaviour is the capacity to 'code switch'. Code switching is the ability to adjust speech patterns in different situations. Your children will speak differently to their mates at the park compared to the way they address their teacher or grandparent. Code switching allows us to narrow the gap between ourselves and our audience, thus increasing impact.

I would encourage families to reinforce this fortnight's behaviour focus, including explicitly teaching/modelling how and why we speak to others in different situations.

PARKING/TRAFFIC CONCERNS: REMINDER

Parking is often congested, particularly before and after school around larger schools, including here at Aveley PS. It is the responsibility of the community to look at possible alternatives to limit the congestion. Information regarding additional/alternative parking is attached to this newsletter.

As a community, we should consider other options; including walking (as we have a Crosswalk Attendant), cycling or parking nearby and walking the short distance to school. Please let us know if you have any other suggestions.

A reminder that it is a traffic offence to park over footpaths, block driveways, park at 'no parking' or 'no stopping' areas, double park, park on a verge without the owners' consent or park your vehicle facing the wrong way.

ASSEMBLIES (SENIOR: YEAR 3 – 6, JUNIOR: PP – YR 2)

Our school has alternating assemblies for our senior and junior students every second Thursday, commencing at 8.55am. Our first Senior Assembly will take place next Thursday, 14 February and will be hosted by students from Miss Palmer's G9 class.

CANTEEN

Our canteen, run by our P & C Association, provides low cost healthy options for our school community. The canteen is open Mondays, Wednesdays and Fridays. Orders are encouraged to be placed online via flexi schools, however they can also be placed via paper and left in the P&C box outside of the office. The cut off is 9am on the day of the canteen. For more information, see [Aveley Primary P and C Facebook](#).

The P & Cs Canteen Committee would appreciate assistance from volunteers to support this our school this year. Please contact them if you are able to help.

TRASH-FREE TUESDAY

To continue with our school's focus on promoting sustainability in our school, we have implemented 'Trash-free Tuesdays'. Students in each class are collecting data around how many 'trash-free' lunches' are brought to school. This information is then available to use to record weekly statistics and graph the results across the term. Congratulations to Banksia 3 for setting the highest standard of waste-free lunches this week.

UNIFORM / HATS

All of our students were in school uniform and the majority had appropriate hats from day one this term. Well done everyone! As a reminder, our school expectation of 'no hat no play' will continue this year. The school's dress policy requires that full brimmed (or legionnaires style) hats are required throughout the year. Uniforms, including hats are available at Lowes in Ellenbrook Central Shopping Centre. Thank you for your support with this.

FREE SEMINARS - FOR AVELEY PS PARENTS TRIPLE P – POSITIVE PARENTING PROGRAM

Most parents have times when they find their children's behaviour challenging. The Triple P – Positive Parenting Program is one of the world's most effective parenting programs. Developed by clinical psychologist Professor Matt Sanders and his colleagues at the University of Queensland, Triple P has been tested with thousands of families through ongoing research over more than 30 years.

Triple P is designed to give parents the skills they need to raise confident, healthy children and to build stronger family relationships. Research has shown it works across cultures, socio-economic groups and in many different family structures. Triple P doesn't tell people how to parent. Rather, it offers simple and practical strategies that parents can adapt to suit their own values, beliefs and needs. The benefits can be dramatic and long-lasting.

All kindergarten and pre-primary parents are invited to attend free Triple P seminars at Aveley Primary School in Term 1. Facilitated by school psychologist Bradley Calamel, the seminars will include a presentation and time for discussion and questions. Parents may attend one, two or all three sessions.

When: Friday 1st, 8th and 15th March 2019
Time: 9am – 11am
Venue: Aveley Primary School
Cost: Free – however bookings are essential.

Please contact Lyn Fussell on 6296 5466 or email lyn.fussell@education.wa.edu.au to book your place.
