## FROM THE PRINCIPAL

Welcome to our second Aveley Informer for 2019.

Our successful start to the school year has continued with our Student Councillors and House Captains setting a fine example for all students along with their ongoing support of staff. Our School Board had our first meeting for the year earlier in the week and our P & C AGM/Meeting will be held next Monday. Thank you to all members of our school community for your ongoing support.

## BEHAVIOUR EXPECTATIONS

Congratulations to our students who continue to focus on ensuring they practise the expected behaviour of the fortnight and also consider the previously covered behaviour expectations. Further to the explicit teaching and implementation of our Behaviour Expectations Matrix, our behaviour expectation for this fortnight is,

***Line up quietly in two straight lines  
and be considerate of others when  
moving around the school.***

## TALKING TO YOUR SCHOOL

Thank you to staff and families for taking the time to attend our Parent Information Evenings this week. The ongoing collaboration between parents/carers and teachers is crucial to ensuring the best possible educational and social outcomes are achieved for all of our students here at Aveley Primary School. Please make sure that you stay in regular contact with your child's classroom teacher/s. Teaching staff are only too happy to meet with you to discuss your child's progress. This can be done during school time in teachers DOTT (duties other than teaching) or by arranging an alternative time with the classroom teacher for a personal or telephone interview. An interview can be arranged by forwarding a note to the teacher or contacting/phoning the front office.

One of the complexities with arising issues is when school community members respond to information that is 'second hand'. Please ensure that you seek clarification about the facts when there is an issue so that the concerns can be truly addressed. For assistance with the process to seek clarification, please refer to '**Talking with my school**' as attached to the first Aveley Informer for 2019.

## UPDATE STUDENT RECORDS

It is imperative that contact details of all students are up to date. Please ensure that any changes in address details and phone numbers are given to the school office.

*Parents of students with medical action plans including asthma and bee stings **MUST** complete new forms each year. Please ask at the office for the new health forms.*

Thank you for your help in keeping us informed.

## SCHOOL BOARD

The fundamental purpose of a School Board is to enable parents and members of the school community to engage in activities that are in the best interests of the students and that will enhance the education provided by the school. Some of the functions include:

- *The selection and approval of school priorities*
- *Input into school policies*
- *Approval of student personal item list (booklist etc.)*
- *Determining the amount of voluntary contributions parents are asked to pay.*

The Aveley Primary School Board had their first meeting for 2019 earlier this week. To commence the meeting, we were welcomed by our recently appointed School Board Chair, Ami Nguyen. Discussions and decisions at the meeting included an update of what was happening at school (buildings, staffing etc), discussing and endorsing our resource budget for 2019 and chatting about the possibilities of recognising our foundation students (those who commenced Kindergarten in 2012) when they graduate this year. Ami also thanked the resigning member, Dario Cafini, for his contribution to The Board.

The Aveley Primary School Board meets twice a term. If you would appreciate the opportunity to raise an agenda item for discussion at a School Board Meeting, please chat to a member of The Board or forward an email to [aveleypsboard@gmail.com](mailto:aveleypsboard@gmail.com).

Thank you to the following members for their ongoing support as School Board Members for 2019.

If you are interested in joining The Board, please contact our front office for a Nomination Form or download one from our school website. Nominations close Friday 9am Friday, 1 March.

## PP ON-ENTRY TESTING

During the next two weeks, Pre Primary students will be participating in the Department of Education's state-wide *On-entry Assessment Program*.

The main purpose of the program is to provide teachers with an opportunity, early in the year, to collect information on the essential literacy and numeracy skills and understandings of each child in their class. This will assist your child's teacher to develop informed and intentional teaching for their programs, designed to foster each child's learning, reflective of individual needs. For further information, check out <http://det.wa.edu.au/educationalmeasurement/detcms/navigation/on-entry/information-for-parents/>

## CONTRIBUTIONS

In order to enrich the educational opportunities available to your child, under the Education Act, the Department of Education regulations provide that a school may establish funds to assist in the purchase of library materials, sporting equipment, extra art/craft materials, stationery, learning aids and other incidental materials that render the school's learning program more efficient. As endorsed by our School Board, our school would appreciate the payment of these as soon as possible.

These contributions are for the whole year and are set at \$50 if your child is in Year PP - 6 and \$60 if your child is in Kindergarten. They can be paid through our front office, EFTPOS facilities or bank transfer to;

- Aveley Primary School BSB: 016-352 Account number: 1839 11914.

**Please ensure you include your name in the description when using the internet banking option.** Thank you to the families who have already paid their contributions for 2019.

## MATHLETICS, STUDENT, PP – YR 6, LICENCE – 2019

Thank you to families who have forwarded payment for individual student Mathletics licences. As previously communicated to families, the student centred, online learning space, Mathletics supports our whole school Mathematics programs here at Aveley Primary School. This program provides an opportunity for students to practise concepts and experience ongoing success in this Learning Area. Individual student licences are available through school for \$10 per student, (compared to the current cost of \$99 if purchased through home). Your child will be issued with a unique username, with this individual licence providing your child with 24/7 access to the program for the year.

Please feel free to contact your classroom teacher if you would like any further clarification.

## HELMETS

Parents are asked to remind students to wear their helmet when riding bikes or scooters to school.

## FREE SEMINARS - FOR AVELEY PS PARENTS TRIPLE P – POSITIVE PARENTING PROGRAM

Most parents have times when they find their children's behaviour challenging. The Triple P – Positive Parenting Program is one of the world's most effective parenting programs. Developed by clinical psychologist Professor Matt Sanders and his colleagues at the University of Queensland, Triple P has been tested with thousands of families through ongoing research over more than 30 years.

Triple P is designed to give parents the skills they need to raise confident, healthy children and to build stronger family relationships. Research has shown it works across cultures, socio-economic groups and in many different family structures. Triple P doesn't tell people how to parent. Rather, it offers simple and practical strategies that parents can adapt to suit their own values, beliefs and needs. The benefits can be dramatic and long-lasting.

All kindergarten and pre-primary parents are invited to attend free Triple P seminars at Aveley Primary School in Term 1. Facilitated by school psychologist Bradley Calamel, the seminars will include a presentation and time for discussion and questions. Parents may attend one, two or all three sessions.

## REDUCE, REUSE, RECYCLE WITH SISTER SCHOOL

On 28 January 2019, Aveley Primary School sponsored an incursion at our sister school, SD Cepaka. The incursion was hosted by EcoBali whose focus is on environmental education and promotion of best practices on waste management - focusing on the 3R's (Reduce, Reuse, Recycle). The spent time working with all the students from Year 1 to 6. There was an interactive session with PowerPoints and games to engage students and help bring the sustainability story to life.

This program links directly to our school's Sustainability priority for 2019. We hope the students at SD Cepaka learnt about the importance of recycling and sustainability, just as we are here at Aveley Primary School.

Let's all work together and start focusing on the 3R's!
