## STUDENT LEADERS

The Aveley Primary School Student Leadership Team has made a fine start to the 2019 school year. They have taken on their additional responsibilities in a mature manner and are supportive of our school as a whole.

Accompanied by Mr Harvie and parent helpers, our student leaders will be attending a Student Leadership Conference at the Convention Centre on Wednesday, 27 March. I'm sure this will be a valuable experience for them.

We thank our student leaders for their efforts and look forward to working with them further as the year progresses .

### REDUCING OUR WASTE

Waste-free lunches benefit the environment by reducing packaging waste, which in turn reduces energy and resource use.

Participating in a waste-free lunch activity also promotes sustainability awareness among students, parents and school staff. Families are encouraged to support students with our Trash Free Tuesdays initiative.

In an effort to reduce our contribution to landfill, our staff and students have implemented a coloured rubbish bin system in our school this week. As a whole school, we have revisited what rubbish is to be placed into specific coloured bins with the expectation that our students will follow through. Thank you to our Year 4 students and staff for coordinating our school's new waste management program. We look forward to seeing the results around our school's reduction of waste to landfill.

### Trash ~~Free~~ Tuesday

Doing our part to make the world a better place...  
at least on Tuesdays.

### 2019 YEAR 6 CAMP

This year our Year 6 students will be heading to Point Peron Camp School from Monday 18 March until Friday 22 March. Located in the spectacular Shoalwater Marine Park with direct access to the beach, our students will be participating in a number of exciting programs throughout the week. These will include snorkelling, kayaking, archery and team building.

School camps always prove to be a lifetime memory. If you think your child may be hesitant in attending camp this year, or in the next couple of years, I would encourage you to begin talking about this experience in a positive way with them. Perhaps have a conversation with your child's classroom teacher to discuss strategies in preparation for when your child is in Year 6.

## GRAND MARRI PLANT OUT – TREES4CHANGE 2017

Early in Term 3, 2017, in an effort to revegetate degraded bushland following the Yarloop bushfires of 2016, our (2017) Year 4 & 5 students headed to Yarloop to carry out some tree planting. To commemorate this activity, two signs have now been erected in Yarloop, one at One Tree Park, the main public park (see photo) and a second on South West Hwy at the Yarloop Tourist Information Bay just south of Tyler Rd.

## FREE SEMINARS - FOR AVELEY PS PARENTS TRIPLE P – POSITIVE PARENTING PROGRAM

Most parents have times when they find their children's behaviour challenging. The Triple P – Positive Parenting Program is one of the world's most effective parenting programs. Developed by clinical psychologist Professor Matt Sanders and his colleagues at the University of Queensland, Triple P has been tested with thousands of families through ongoing research over more than 30 years.

Triple P is designed to give parents the skills they need to raise confident, healthy children and to build stronger family relationships. Research has shown it works across cultures, socio-economic groups and in many different family structures. Triple P doesn't tell people how to parent. Rather, it offers simple and practical strategies that parents can adapt to suit their own values, beliefs and needs. The benefits can be dramatic and long-lasting.

All kindergarten and pre-primary parents are invited to attend free Triple P seminars at Aveley Primary School in Term 1. Facilitated by school psychologist Bradley Calamel, the seminars will include a presentation and time for discussion and questions. Parents may attend one, two or all three sessions.

**When:** Friday 1<sup>st</sup>, 8<sup>th</sup> and 15<sup>th</sup> March 2019  
**Time:** 9am – 11am
