FROM THE PRINCIPAL

Welcome back to Term Two. We hope everyone had a terrific break and managed to enjoy some rest, relaxation and family time. Our students have settled back into routines quickly and effectively this week. It was a pleasure welcoming new families to our school and we trust they will enjoy being part of our school community.

This term will see our students involved in a number of extra curricula activities including excursions, incursions and sporting activities. As the term progresses, teaching staff will focus on compiling student Semester One reports. These reports will be forwarded to families electronically. Please ensure your most up to date email address is recorded on your child's contact details.

Staff have been working with students to explicitly teach this fortnight's behaviour expectation. The focus this fortnight is ... ***to take care of your environment and leave an area cleaner and tidier than you found it.***

We look forward to another busy term, working with a supportive school community.

NATIONAL ASSESSMENT PROGRAM – LITERACY & NUMERACY (NAPLAN)

A reminder that our students in Years Three and Five will take part in the NAPLAN in Week Three. Students will be tested in reading, writing, language conventions (spelling, grammar & punctuation) and numeracy, using common national tests.

The key purpose of the NAPLAN is to provide system, school, parents and caregivers with information about student performance in relation to nationally-agreed achievement bands. The achievement bands represent increasing levels of skills and understandings. For each year group in each assessment, there is a national minimum standard that represents the minimum standard of literacy and numeracy skills considered necessary for students to progress through schooling.

Please contact classroom teachers if you would like more information on these tests.

Please ensure that students are at school on time and that classes are not disrupted during NAPLAN Testing.

SCHOOLS AND YOU

The role you play in your children's education is vital in helping them become happy and confident learners at school. To assist with navigating the best opportunities for your child in our schools, the Department of Education has an informative website which includes a range of information for parents around schooling in Western Australia. Check it out at <https://www.education.wa.edu.au/>

EARLY CLOSE EVERY WEDNESDAY AT 2.30PM

ANZAC SERVICE

Our Aveley Primary School students and community members participated in our ANZAC service at the end of last term. Well done and thank you to the staff and students who coordinated and presented at this event. We received significant feedback from our wider community to advise of their appreciation and congratulations for a job well done.

Thank you to all the families who provided the floral material for the wreaths and to the parents who made the wreaths.

IN TERM SWIMMING YEARS 3 TO 6

On Friday, all Year Three to Six students should have bought home a letter regarding the In Term Swimming program. The lessons will run from 10 June to 21 June at Swan Active Beechboro (formerly known as Altone Park). Each student will attend for five days and the actual dates (either week 7 or week 8) your child attends will be confirmed closer to the commencement of the lessons. All payments to cover the bus and pool entry must be made to the front office by Friday, 17 May. Swimming is an important skill for children to acquire and it is strongly recommended that all students attend the lessons.

P & C MOTHER'S DAY STALL – TUESDAY 7 MAY & WEDNESDAY 8 MAY

The P & C will be holding a Mothers' Day Stall next week. A range of gifts will be available in the undercover area for students to purchase. Students will be notified, by their teacher, early next week of which day they will attend.
