FROM THE PRINCIPAL

Welcome to our final Aveley Informer for Term Two, 2019.

BEHAVIOUR EXPECTATION

Our behaviour expectation for the final two weeks of Term 2 is ... ***'Tell the truth and take ownership of your actions'.***

START THE CHAT ABOUT ONLINE SAFETY

The eSafety Commissioner's national campaign, *Online Safety Start the Chat*, is asking parents, teachers and students across the country to start those important conversations about online safety. The campaign is a response to disturbing research findings that up to 95 per cent of surveyed parents needed more information about online safety, including where to go for reliable help and advice. No matter how old your children are, make a start by checking out <https://esafety.gov.au/start-the-chat>.

LEARNING POTENTIAL

With the aim of supporting families, the ***Learning potential*** website has been designed for parents of young children through to secondary students to support their learning. There are a lot of resources on this site that are suited for students of all ages and stages.

If you're looking for tips and ideas to help you nurture your child's potential, the Australian Government *Learning potential* website may be a useful resource to have a look at. <https://www.learningpotential.gov.au/>.

REPORTING TO PARENTS

A reminder that Semester One reports will be forwarded home to families electronically, via email with a secure link. Formal reports are nearing completion and **will be emailed home to families** on Tuesday 2 July. As a reminder, once posted, the secure link is only available for four weeks. Families should ensure the reports are downloaded within this timeframe.

You can ask the school to provide you with written information that clearly shows your child's achievements in the subjects studied in comparison with that of other students in the student's peer group at school. This information will show the number of students in each of the five achievement levels. Please contact the front office to request this additional information.

I would like to reinforce with parents that a 'C' (Satisfactory) grade on your child's report indicates satisfactory progress. This grade is made on a comparison to other students in Western Australia in the same year level at this point in time.

Please take the opportunity to spend time with your child acknowledging and celebrating his/her achievements over first semester. A discussion with your child on areas to improve on, perhaps setting one or two goals to aim for next semester, would also be valuable.

PLANNING FOR OUR SCHOOL

To assist our school with effective planning for 2020, including building provision and staffing requirements, school community support is requested to advise our school of families leaving and new families joining our school as soon as possible. Thank you in advance for your support with this.

FREE DRESS FUNDRAISER (FRIDAY WEEK 10)

A reminder that on the last Friday (5 July) of this term, our Student Councillors will be coordinating a fundraiser to raise funds for the RSPCA. Staff and students are invited to wear free dress to school for a gold coin donation.

Please remember that that appropriate neat & tidy attire will be expected. This includes no mid rift tops and suitable enclosed footwear. Senior students will be expected to participate in sport sessions on the day.

END OF SEMESTER ONE

It is nearing the end of Semester One for 2019. Thank you to the many hardworking members of our school community who continue to support our school in numerous ways. Our Aveley Primary School Board and Aveley P & C Association are the two key parent groups supporting our school. Additional to this are the many parents who work with our specialist and classroom teachers to support the teaching and learning programs in classrooms. Thank you.

On behalf of the Aveley School staff, I would like to wish everyone a safe and restful holiday. School will commence for staff on Monday, 22 July and for students on Tuesday, 23 July.
