FROM THE PRINCIPAL

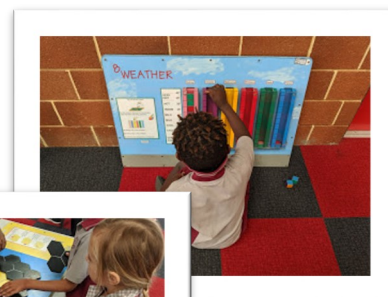

Welcome back to our final school term for 2019. This term will see our graduating students working through their final term of primary school, refining their speeches and preparing for their end of year celebration. Our Year 5 students will be considering their options around possible student leadership roles for 2020. Preparation for our Awards Assemblies are under way and we look forward to you joining our school community for our Open Night on Wednesday, 6 November.

BEHAVIOUR EXPECTATIONS

This fortnight's behaviour expectation is ... **take care of your environment and leave the area cleaner and tidier than you found it.**

MATHS INCURISON

Our students in Pre-primary – Year 3 had the opportunity to participate in the World of Maths Incursion this week. They enjoyed the opportunity to work in small groups discovering and identifying mathematical concepts which were related to practical and real-life situations. Thank you to the parents who helped out and to Mrs Lester for coordinating this event for our school.

THANK YOU

On behalf of our school community, I would like to thank the City of Swan for their donation of mulch to our school. Thank you also to the Horticulture students and staff from North Metropolitan TAFE Joondalup for their work in spreading the mulch and for the ongoing planting. The plants are looking amazing!

APS OPEN NIGHT

This year's APS Open Night will be held on **Wednesday, 6 November** from 5 to 7pm. Over the last few years, themes for our Open Night have included showcasing our multicultural school, our use of Information and Communication Technology (ICT) and our focus on showcasing Problem Solving. This year's theme is to highlight our ongoing focus on sustainability in our school. Families will have the opportunity for their children to walk you through classrooms and to visit specialist area displays. We look forward to seeing everyone on the night.

2020 STUDENT LEADERS

Being a Student School Leader provides our senior students with the opportunity to build and refine their leadership skills. These students also play an important role in supporting our school. The selection of our 2020 School Captains, Student Councillors and House Captains will be taking place this term. To provide an opportunity for our new student leaders to work alongside and be guided by our 2019 student leaders, these positions will be announced before the end of this term. Students in Year 5 will receive more information through their classroom teachers.

If you have a child in Year 5, I would encourage you to have a conversation with them around leadership and associated responsibilities. Your discussion could include the characteristics of an effective leader, including:

- ⇒ Responsibility
- ⇒ Integrity
- ⇒ Persistence
- ⇒ Creativity
- ⇒ Organisation
- ⇒ Emotional Awareness (of self and others)
- ⇒ Openness (to new ideas and alternative points of view)

VACATION SWIMMING

With swimming pools and beaches a big part of the Western Australian lifestyle, ensuring your children can swim competently and safely is essential.
