GRADUATION 2019

Dear Parents/ Carers

By the end of this year your child will have completed their primary education and be ready to move on to secondary school. This is a cause for celebration and recognition of all the fine things they have achieved here at Aveley Primary School. We are acutely aware of the financial burden placed on you as parents during this year; you have had camp to pay for and, in Week 10, we also have The Big Day Out excursion.

We will be commemorating this special occasion, at school, on the evening of **Tuesday, 17 December 2019**. We are fortunate to have a local chef catering the evening for us. Lorenzo's Mobile Wood Fire Pizza will be providing us with antipasti and a variety of freshly baked pizzas. A soft drink will also be included. It is intended to be a light refreshment after the ceremony and not a complete meal. This will be a ticketed event, with tickets costing \$15.00 per head. There will be a maximum of four tickets allocated for each family; one for the Year Six student and three for others wishing to attend.

The Year Six team would be grateful to any parents who would be able to assist us with preparations for the evening. Whilst much of the organisation has been completed, we still have a lot to do to make the venue look spectacular for your children.
