COVID-19: PARENT UPDATE (26.03.2020)

Dear Parents and Carers

As you are aware, to make effective use of the reduced number of students currently at our school, we were setting up a Teacher Planning Team to commence preparation of an online Learning Program. To make provision for The Team, we were following through with reallocation of students to other classrooms. The intention was to notify families and students of these moves today.

Further to our Premier's announcement this morning

(<https://www.facebook.com/MarkMcGowanMP/photos/a.432761316741748/3863958080288704/?type=3&theater>), we are expecting a further significant drop in student numbers from next Monday. For this reason, the previously arranged reallocation of students will not be taking place.

Our intention is to assess student numbers on Monday morning and make arrangements from that point. This information will be communicated to families on Monday.

If families have made the decision to keep your children at home, and you have not already done so, please notify the school. You should email the school using this address aveley.ps@education.wa.edu.au, stating the name of your child/children and that the reason for keeping them home is due to COVID19. Please include the start and end dates (end of Term One).

Once again, we thank you for your time and support in these challenging times.

SUPPORT FOR PARENTS & CARERS

The DoEs Learning at Home website has some support strategies for families around 'home schooling'. <https://www.education.wa.edu.au/learning-at-home/support-for-parents-and-carers>.

If you have any concerns, then please don't hesitate to contact the school on 6296 5466 or at aveley.ps@education.wa.edu.au.

Kind regards

Michelle
