## FROM THE PRINCIPAL

Welcome to our third edition of Aveley Informer for 2020.

### STUDENT LEADERS

The Aveley Primary School Student Leadership Team has made a fine start to the 2020 school year. They have taken on their additional responsibilities in a mature manner and are supportive of our school as a whole.

Accompanied by Mr Coci, Mr Fung and parent helpers, all of our student leaders will be attending a Student Leadership Conference at the Convention Centre on Wednesday, 25 March. I'm sure this will be a valuable experience for them.

We thank our student leaders for their efforts and look forward to working with them further as the year progresses.

## REDUCING OUR WASTE

In an effort to reduce our contribution to landfill, we have a coloured rubbish bin system in place at our school. When the four coloured bin system was introduced last year, we had some difficulty with cross contamination of the waste. For this reason, we have reduced the number of bins to green for organic and red for other waste. As a whole school we will continue to promote this initiative.

Waste-free lunches benefit the environment by reducing packaging waste, which in turn reduces energy and resource use. Participating in a waste-free lunch activity also promotes sustainability awareness among students, parents and school staff. Families are encouraged to support students with our Trash Free Tuesdays initiative

## Trash ~~FREE~~ Tuesday

## 2020 YEAR 6 CAMP

This year our Year 6 students will be heading to Point Peron Camp School in the last week of Term One, from Tuesday 31 March until Friday 3 April. Located in the spectacular Shoalwater Marine Park with direct access to the beach, our students will be participating in a number of exciting programs throughout the week. These will include snorkelling, kayaking, archery and team building.

School camps always prove to be a lifetime memory. If you think your child may be hesitant in attending camp this year, or in the next couple of years, I would encourage you to begin talking about this experience in a positive way with them. Perhaps have a conversation with your child's classroom teacher to discuss strategies in preparation for when your child is in Year 6.

## HEALTHY EATING

Did you know that parents and carers are often called the 'nutritional gatekeepers' in the home, meaning that they hold the biggest food influence on the lives of their children and also their partners? For some, food preparation can be an onerous task that seems never ending. Following is a link which may contain some useful tips and general ideas that can make the task easier and help you to ensure all the members of your household are receiving the best possible nutrition.

## LEGO CLUB

Do you have any old Lego hiding away? Our Lego Masters Club (coordinated by Mrs Williamson) would love some more Lego to enable us to create some big builds. If anyone has any old Lego hiding away that they would be happy to donate, please contact the school.

## TRIPLE P – POSITIVE PARENTING PROGRAM

Triple P is designed to give parents the skills they need to raise confident, healthy children and to build stronger family relationships.

All parents and carers are invited to attend free Triple P seminars at Aveley Primary School this term. The seminars will include a presentation and time for discussion and questions. Parents may attend one, two or all three sessions.

- **When:** Thursdays 19 and 26 March and 2 April 2020
- **Time:** 9am – 11am
- **Venue:** Aveley Primary School
- **Cost:** Free – however bookings are essential

Please contact the front office on 6296 5466 or email [aveley.ps@education.wa.edu.au](mailto:aveley.ps@education.wa.edu.au) to register your attendance.

## YOU CAN DO IT

Well done to Mrs Hewitt's class who made our new *You Can Do It* program an integral part of their assembly last week. They introduced the whole school to the song *I Can Do It* and did an amazing job in singing about persistence, positive self-talk and having a great attitude when navigating day to day life. As classes begin to use this new program more and more at Aveley we will start to share some stories and work which is happening in our classes.

The foundation of confidence is an important social/emotional concept built into YCDI. This means believing that if you try to do something, you can do it, believing you can make friends, believing that when you go to school, everything will be OK and that you will be safe and happy. It also means not being afraid to make mistakes or meet new people, not being afraid to tell someone what you think and what you would like to do. These are important concepts for all of us, indeed! See you all next fortnight.

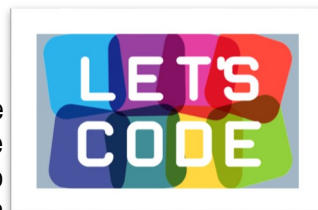

Chris Spencer

## CODERDOJO

Did you know that Coder Dojo Club is on Thursday afternoons from 3.00 - 4.00 pm in the Library? In Term One, 25 students from Year Two and Three come along and solve challenges using coding and robotics. This term, the students are working through two different rotations per week. Some of the apps and Robotics the students are using this term are: Scratch Jnr, Hour of Code, Beebots, Makey Makey, Lego WeDo and the Dash robots. If your child is involved in CoderDojo, you are more than welcome to come down and observe what challenges your children are solving or join in and learn with them! We look forward to seeing many of you there.

Next term, students in Year 4-6 will have the opportunity to sign up and come along, keep an eye out for notes that come home at the end of this term.

Mrs Ashleigh Nguyen – CoderDojo Coordinator.
