

## Aveley Primary School P&C

### *President's Report – 1 August 2022*

#### ***Secondhand Uniform Sales***

- Thanks to Sally for continuing the online second hand uniform sales
- We will continue to offer the second hand uniform sales as an ongoing online stall and will also look to continue the physical stalls at least once a term outside the main office.

#### ***Containers for Change***

- This has continued to be a successful program at the school, regular social media posts and messages via connect seem to be working
- We have raised a total of \$242.90 to date
- Looking to get another bin exchange in the next few weeks.

#### ***Promotion of P&C for new members***

- We need to get creative to gain interest from the community to enlist parents to join our team

*Peta Magorian*

*President, Aveley P&C*
