

## *Aveley Primary School P & C Meeting Principal's Report – 22.04.2024*

### Introduction

Thank you to the Aveley community for making me feel so welcome. I will be Acting Principal for most of this term while Michelle is on leave. I had the opportunity to meet with Michelle (Ms Murray) and the Leadership team last week and we were able to complete a comprehensive handover. This week is particularly eventful, however, I will endeavour to go into classrooms to introduce myself to students and staff.

### Industrial Action

A Connect notice went out to parents regarding the process for tomorrow's Stop Work Action. We are unable to determine the number of students or teaching staff attending. Relief has been organised to assist with supervising students. Staff were also given more comprehensive instructions to ensure the morning goes smoothly. A normal school day will commence at 12.30pm.

### School Development Day - Friday 26 April

All staff are attending a "Framework for Understanding Poverty" at Ellenbrook Secondary College. The PL is designed to challenge staff about their ideas of poverty and better support students and families who may be experiencing poverty, providing strategies for improving relationships. The front office will be unattended. A Connect notice with an emergency number will be provided.

### Extra Curricula Activities

We will be providing a range of extra curriculum opportunities for students during lunchtimes in Term 2. These include;

**Tuesday** – Drawing and Craft Club – G8, with Miss McQuade for Year 4-6
