

Aveley Primary School P&C

President's Report – 29 July 2024

Containers for Change

- The Containers for Change program has slowed down, with many students putting rubbish in the bin.
- Thanks to Kim for assisting Scouts WA with cleaning out and picking up the bin at the end of last term.
- We will continue with weekly messaging on the Containers for Change program.

Community Coffee Mornings

- Thanks to Sally for working with Mista Barista in creating a weekly community based activity to encourage families to meet and build relationships.
- Due to limited coffee sales at Turkich Parade 'Kiss & Drop' we have moved locations to the front of the school in the parking bays across from Vienta Street to encourage sales from people walking from either end of Bolero Road and catch the teachers on their way into school.
- 10% of sales is donated straight back into the P&C to support our fundraising initiatives for the year!

Mother's Day Stall and Raffle

- Thanks to all of the P&C members who assisted with the Mother's Day Stall and Raffles this year.
- A huge thank you to the Year 6 students who assisted the running of the stall throughout the week.
- Donations from the community for the raffle were limited, however we still made significant sales on tickets.

Sister School Donations

- At the end of Term 2, the teaching staff approached me about the sister school donations. There were select members from the teaching staff traveling to Bali for the school holidays and donating books, clothing etc. so asked if we had finalized our donation amounts for the schools so they could donate to them in person whilst they were there.
- I reviewed the fundraising to date and with an executive committee vote, we agreed that we would donate \$3000 to each school. Total of \$6000.
- The oversized checks were created and delivered to the school on the last day of term for the teachers to take with them to Bali.

This Term

- We have another full calendar for Term 3! Please get behind these upcoming events and promote the P&C to other parents to build on our committee.
 - The annual Father's Day stall and additional raffles will be over 26 to 28 August
 - The House Sports Carnival will be held on Friday 30 August
 - Free Dress Day on Friday 20 September
