

## Aveley Primary School P&C

### *President's Report – 17 February 2025*

I would like to take the opportunity to thank the 2024 P&C committee members for their hard work and support over last year. To those that we farewelled at the end of the year, I wish all the very best for their future and the children's education as they enter secondary school.

I would also like to acknowledge the new faces we see around the table this evening, welcome to you all and I hope this is the beginning of new friendships.

#### **Community Coffee Mornings**

- Community Coffee sales have increased with the new location outside the Admin building.
- We will continue our regular social media promotion.

#### **STEM/Open Night**

- The STEM/Open Night events have been growing in attendance over the years, which is great to see the sense of community building at the school.
- The vendors are seeing a better profit and therefore the kick back to the school has increased.
- Thanks to all of the P&C members who assisted with the raffle and second-hand uniform stalls.

#### **Aveley Carols**

- Thank you to everyone for their amazing support with our Aveley Carols BBQ stall!
- Despite the crazy weather, we still managed to sell quite a few sausages and remaining stock was held for future events.
- The evening proves to be a successful community facing event and we look forward to working with the Ellenbrook Community Collective again for the 2025 Carols.

#### **Inaugural Welcome Back Event**

- Thank you to everyone for their amazing support for our inaugural Welcome Back Event.
- Massive shout out to the teaching staff their partners that helped with setting up the event!
- We had a slow and steady trickle of attendees throughout the afternoon.
- Some great lessons learnt we hope to build on with constructive feedback to enhance 2026 efforts.

#### **Cookie Dough Fundraiser**

- The Cookie Dough Fundraiser has taken off this term and as at 5.00pm Monday 17 February, the total tubs sold was 230 and total amount raised is \$4830!
- This is significant as we keep 60% of the profit made.

#### **This Term**
