

Aveley Primary School-Principal's Report P&C October 2025

Welcome back to Term Four. As we approach the end of the 2025 school year, we have a number of events and things happening. To date we have had Interschool Athletics & the WAO excursion, our upcoming events include acknowledging World Teachers' Day, STEM Open Night, welcoming our new Kindergarten families for 2026, Public School Review, elections for 2026 school student leaders, Year 6 Graduation, and Book award mornings.

School website-we are still working on developing our new website. Launch will now be pushed into early 2026.

Parking update- families have continued to respect the no drop off and pick up in the staff carpark on Bolero Rd, which is fabulous. The PP and Kindergarten carpark continues to be challenging for both families and school community. I have had another conversation with the COS about the parking on Edgerton, I'll keep the community informed.

STEM Open night-planning is well underway. The staff have included a 'passport' stop at the Board and P&C Board-how does this normally work?

Public School Review-is set for Thursday 27th Nov. There will be an opportunity for a representative from the P&C to be part of the panel in the afternoon session about Relationships and Partnerships.

Looking forward to another great term together.

Natalie Bracegirdle

Principal
